

TIPS & TRICKS FOR SAVING POWER

COMPLETED BY THE GREAT EIGHTS

IN HOME:

- Turn off the lights and fans when leaving the house
- Wash your clothes in cold water or by hand
- Wrap or cover food and drink in your fridge (purchase beeswax wraps)
- Always use cold water
- Add smart switches to lights
- Change your lights to LED's
- Clean and replace filters on appliances, furnaces, etc.
- Don't peek in the oven 😊

IN SCHOOL:

- Walk or bike to school
- Turn off lights when room is empty
- Put electronics on sleep mode
- Turn off electronics at the end of the school day
- Go outside for recess
- Pack a lunch in reusable containers
- Bring a reusable water bottle
