Food waste worksheet (Option 1)

1. Write or draw four ways that we waste food:

People waste food by filling up their fridge	People waste food by Over eating and wasting the rest that is left
People waste food by Over buying and wont eat it	People waste food by not eating their old food that make rot

2. Write or draw four ways that we can reduce food waste:

People should not waste food by filling up their fridge	People should not waste food by Over eating and wasting the rest that is left
People should not waste food by Over buying and wont eat it	People should not waste food by not eating their old food that make rot
