

What- We want to help the Earth by planting things.

Where- In our backyards and gardens.

When- Easter Weekend

Who- Our class, family, grandparents, and friends.

Why- To save the environment. To save our Earth and for our challenge. Plants make our air clean.

Plants give us oxygen and animals food.

How- We need shovel, watering can, soil, water, a pot, seeds, sun, plant food, love, and fun music.

Come to a
Spring planting
Party!

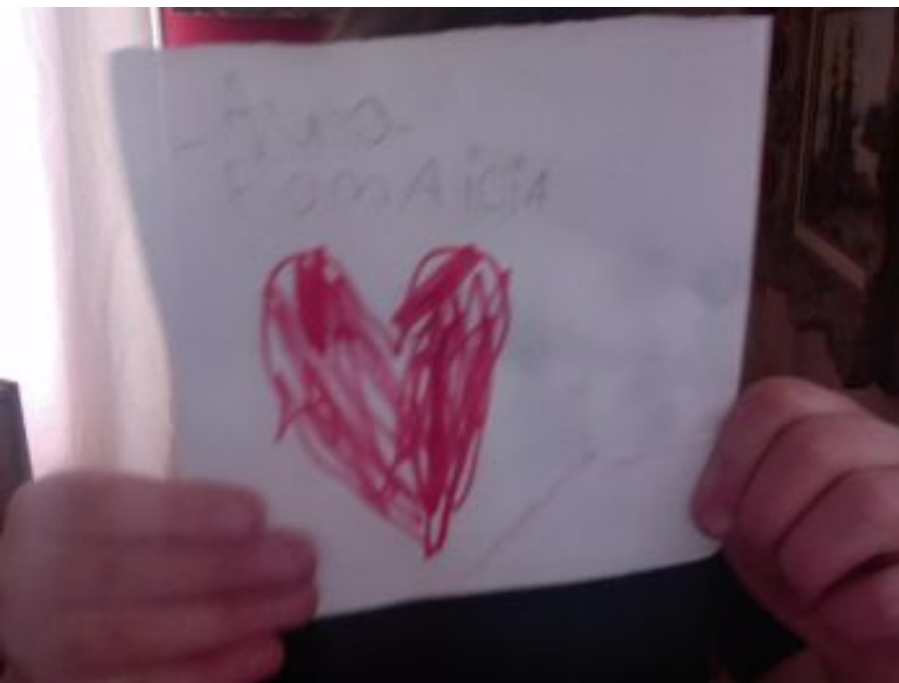

When: Easter Weekend

Materials: Soil, Seeds,
Pot, Sun + FUN

Where: At home

DEAR MOM and DAD Andis
MACKENZIE My class is
having a planting day
can you come plant with
us? FROM Taylor

PLANTING DAY
Long weekend in
APRIL

REMEMBER

Help our Earth

by planting things in
your garden on Easter
weekend

Q.

We need to take care of the
Earth. So we could save power.
Be cut + give out air
save the earth!
