Hi Carley,
So here we are a year later! I would like to book a virtual session with you in early April if that is possible. We are involved in a Canadian initiative called "The Energy Diet Challenge" and we need a "Community Connections" challenge. The Rocket Greens program is perfect for that.
Last year, we were going to do the "Get Growing" challenge with you at the Study Centre (seeds), but unfortunately...Covid.

Please let me know if early April works for you (I'm thinking the week of the 5th).
I teach grade 5/6.

Thanks, Wendy Gautier

Hi Wendy!

I'm available on Thursday the 8th or Friday the 9th between 9:30-2:30pm.

Is there a time on either of those days that would work for you?

If so, I will ask that you send me the link to whatever platform you prefer to use for the classroom. I've been very successful at these so there wouldn't be a need for test run. I've used zoom, meets, teams from the unit and it all works good.

Sincerely,
C
