

Wednesday April 14		Did you know that next week is Earth Day?
Wednesday April 14		Over the next week, our class will share some tips on how you can help our planet.
Wednesday April 14		Open the blinds on nice days instead of using the lights.
Thursday, April 15		Fight phantom power by unplugging electronics when they are not being used.
Thursday, April 15		A power bar can help make this easier.
Friday, April 16		Help save water by turning off the tap when brushing your teeth.

Monday, April 19		Try to use containers when packing your lunch instead of using plastic bags.
Monday, April 19		If you do use plastic bags, you can wash and re-use them.
Tuesday, April 20		After snack and lunch, try your best to sort your garbage, recycling and compost in correct bins.
Tuesday, April 20		You can ask an adult if you are not sure where something should go.
Wednesday April 21		Do you like arts and crafts?
Wednesday April 21		You can try to use recycled items and turn them into something new!
