

# How Big Are Your Carbon Feet?

Name Alyssa

Date Sat 27

## Footprint worksheet

11.51 tons

I Will TRY TO...

- Eat in Season.
- Eat one less meat meal a week.
- Buy one expensive pair of jods that will last longer than buying several cheaper pairs.
- Donate use clothes.
- Spend less time in the shower.
- Turn the heatin down by 1 degree.
- Ask my mom to slow down to improve her car's fuel consumption.
- And check her tire pressure.
