

## ECO CLUB NEWS

March 31, 2021

There are so many activities that we could not do this year but we are hoping to submit some of the Challenges for the

## SHELL/CANADIAN GEOGRAPHIC ENERGY DIET CLASSROOM CHALLENGE

Calling All Families:

Please consider helping us ...

Do you have or - can you create - a recipe using all **LOCALLY** produced (within 500km) ingredients?

Please share it with us for the "WHAT'S FOR LUNCH?" Challenge so we can put together a Horace Allen School LOCAL cookbook??

If you would like a template, one can be sent. Have your child print it And maybe they could illustrate it too?

Please send in by April 16, 2021!!

Thank you from your Grade 2 Eco Rangers!!
