

Hi This is Austin reporting for Horace Allen Eco Club
Today is our 3rd annual HIKE-A-THON!

We are very happy to announce that Greg Chartier,
Area Foreman for Fortis Alberta will be here to
present a cheque for \$1000.00 to our Outdoor
Classroom project from the

GREEN UP Fortis Grant program!

This will help us plant trees and we know that every
time we plant a tree we give the earth a present!!
